

## CAREER EDUCATION

FEBRUARY 2021

Thank you to all the parents and students who attended our virtual District and Dual Credit information session on January 28th. Course selection for next year is happening now and your career teachers would love to connect with your student to create a career pathway or talk about work experience credit.

For students who are applying to dual credit programs at Camosun they often need 30 hours of direct work experience. If you are tradesperson who could support a student please fill out the form.

### SEASIDE

MAGAZINE YOUR SAANICH PENINSULA VOICE

## TRADE STUDENT SPOTLIGHT

We are delighted with the return of our Trade Student Spotlight in Seaside Magazine.

Our first spotlight is on *Tristan Bibb*.

**South Island Regional  
Skills Canada Competition Week  
March 1-5th, 2021.**

Good luck to all of our competitors! Saanich is so proud of our 50 secondary students and 400 middle schoolers competing next week in culinary, baking, joinery, carpentry, welding, TV/Video production, plumbing, photography, hairstyling, electronics, graphic design, gravity car, wind turbine, sumo bot, and public speaking competitions.

*Show your skills! Compete! Have Fun!*
