TRADE STUDENTS SPOTLIGHT

Courtney Cooper and Cece Pringle are both graduates of the VIU/SD63 Hairstylist program and are happily working together at La Boutique in Sidney.

Both are Stelly's 2021 graduates. Cece took the Hair Program in her grade 12 year as a dual credit student and is now working on her youth apprenticeship. Courtney started her youth apprenticeship program after finishing high school and then took the program as an adult. The youth apprenticeship program, through Skill Trades BC, allows school-aged students to earn credits while learning a trade.

Congratulations to both of these young women to watch!

THE TEX UPDATE

TRADES EXPLORATION PROGRAM

Students are finishing up with their final week of welding and metalwork, before starting heavy duty mechanics after spring break. Big congratulations to Noah Pross for winning the Golden Helmet award at the Golden Helmet award to celebrate his hard work.

BRAVO SD63!

A huge shout out to all the SD63 participants of the South Island Skills Canada competition. Our district brought home 11 Gold, 6 Silver, and 5 Bronze medals, plus an honourable mention. Best of luck to all of our students advancing to provincials in April. Well done team!

Events, info sessions, and more!

There are plenty of available options for students to gather information on what they want to do and where they want to be after graduation. SD63 career staff are always updating our Career Education website with post secondary info sessions, job fairs, open houses, workshops, and educational events. Keep checking the Saanich Career Ed website for the latest in what's happening!
