

Sherwood Industries Ltd. looking to hire team members who share our passion producing high quality products that we can be proud of and that keep our customers coming back.

Sherwood Industries Ltd. has been in business for almost 30 years. We are the manufacturer of the 'Enviro' brand of heating products. Located in Saanichton (approximately 16km north of Victoria) on Vancouver Island in British Columbia. Sherwood Industries has an extensive manufacturing facility where we employ cutting edge technologies such as CAD and a state of the art steel cutting lasers, all designed to give our customers the best design for their home with the highest standards of engineering.

Superior quality and attention to detail have provided Sherwood Industries with a competitive advantage. Sherwood Industries is recognized in the industry as having one of the most stringent quality standards.

About the Role:

This is a full-time position. Day Shifts are Monday - Friday, 7:00 am- 3:30 pm and Night Shifts are 3:30 pm – 12:00 am, with increased wages for the evening shift.

Your attention to detail, strong work ethic and positive attitude will assist you in succeeding with our company. On the job training is provided. In accordance with work orders, you will assemble and fit prefabricated parts to close tolerances. You are hands on, and pay close attention to the work at hand to ensure detailed preparation and processing of materials. The ability to perform physical and repetitive tasks is required.

You have a sense of pride in your skills and are efficient, precise and uphold safe work place practices. Your strong communication skills will assist you in problem-solving and maintaining positive relationships with your team. You maintain and clean equipment and your work area as required.

Skills and Experience:

- Experience working with tools.
- Good communication and team work.
- Ability to stay focused and conduct work that is somewhat repetitive.

Compensation:

- Starting wage will be \$15.00 per hour
- Extended medical and dental (Available after the mandatory waiting period)
- Monthly raffles and prizes
- Company BBQ's and ice cream days

Thank you for your interest in working with our company and we look forward to reviewing your resume.
