Hours range from part-time to full-time, May- September. Our busiest months are July and August, so expect to get the most hours in those months, as we expect employees to be most available in these months. Weekend shifts are expected of all front desk and dock employees, with the typical days off landing on weekdays. The shop is open until 8:30 pm, with some evening tours and activities extending our hours. Evening shifts will be shared by all employees.

Benefits of working at Pacifica include a friendly, supportive, social environment. You'll get a great mix of working inside and outdoors at the marina, and interacting with people. Customers here are relaxed, friendly, and often on vacation mode, so are easy to interact with. As a perk of the job, you'll have use of any of the kayaks, canoes and paddle boards for personal time!

Pacifica Paddle will provide opportunities for improving paddling skills for canoeing, paddle boarding, and kayaking throughout the season, while exploring the shorelines of the Saanich Peninsula. These are voluntary participation, but you are encouraged to join multiple sessions, to increase your personal skills and knowledge of the amazing paddling areas around us.
