About Island Health

People make our organization. Health care attracts smart, caring individuals who want to make a difference and help people. No matter what area of health care you are in, our multi-disciplinary teams work together to provide the best care to our patients and residents. At Island Health we believe our values guide our actions and relationships, shaping how we make decisions and plan for the future.

Our vision is, "Excellent health and care for everyone, everywhere, every time".

Why Food Service at Island Health?

Flexibility - Our roles are casual which means you choose what hours work for you. We have a variety of shift options to suit your lifestyle. Maybe you want to be home for your kids after school, or you're an early riser and enjoy mornings, we can work with you to find what you are looking for. Interested for more hours? We welcome requests to pick up extra shifts. Working the equivalent of full-time hours could make you eligible for benefits.

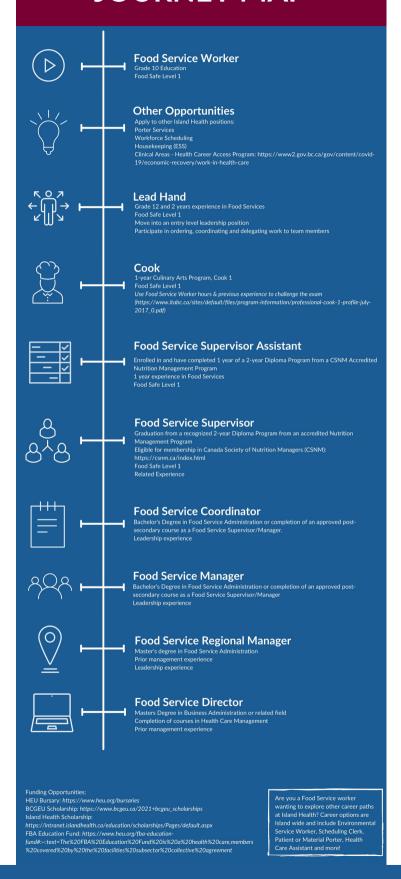

Variety - Working in food services is never boring and your day will be full of diverse tasks and activities. With a variety of locations and facilities from acute care to residential services, you'll get to experience a number of different settings.

Growth and Development - We offer training & educational opportunities through union-funded financial incentives & Island Health scholarships to help you grow your skills to develop in your career. Check out our journey map below.
