

ENVIRONMENTAL SERVICES AT ISLAND HEALTH

Start your Career in Environmental Services!

Are you someone who is passionate about serving others? This is your opportunity to be a part of a diverse team while providing care in an unique way. We have team members at hospitals and health care facilities across the island. Island Health knows that it is our team members who make a difference, deliver care and define our organizational culture.

About Island Health

People make our organization. Health care attracts smart, caring individuals who want to make a difference and help people. No matter what area of health care you are in, our multi-disciplinary teams work together to provide the best care to our patients and residents. At Island Health we believe our values guide our actions and relationships, shaping how we make decisions and plan for the future. Our vision is, "Excellent health and care for everyone, everywhere, every time".

Why Environmental Services at Island Health?

Positions we're hiring for - Environmental Services Workers, Lead Hands, Supervisors and Laundry Attendants.

Flexibility - We offer casual work which means you choose what hours work for you, with select locations offering temporary or regular positions. We have a variety of shift options to suit your lifestyle. Maybe you want to be home for your kids after school or you're an early riser and enjoy mornings. Interested for more hours? We welcome requests to pick up extra shifts. Working the equivalent of F-T hours could make you eligible for benefits.

Variety - The work is never boring and your day will be full of diverse tasks. With a variety of locations and facilities from acute care to residential services, you'll get to experience a number of different settings.

Growth and Development - We offer training & educational opportunities through union-funded financial incentives & Island Health scholarships to help you grow your skills to develop in your career.

You are required to have a Criminal Record Check completed and must have your Covid vaccines up to date.

Island Health offers programs and services on the unceded and traditional territories of the Coast Salish, Nuu-chah-nulth and Kwakwaka'wakw Peoples.

As an organization, we are committed to cultural safety and humility and we demonstrate this through our actions to address Indigenous specific racism, systemic racism and the ongoing impacts of colonialism.
