

Are you an energetic, hard-working, reliable individual who loves being in the outdoors?

Then here is the summer job for you!

YYJ Lawns is seeking a team member to assist with mowing, trimming and other routine yard work. We will need you to work three days per week, occasionally on a Saturday. We are prepared to be flexible so the specific days of the week may vary. Typically, you will start work at 9:00 am and finish before 4:00 pm, with working hours dependent on the nature and volume of work to be completed.

All training and equipment are provided.

Ideally, you will have your own transportation, as you may need to drive to and from a particular location – however, this is not essential.

Salary is \$20 per hour.

This opportunity is available immediately; however, we respect that school attendance may delay a start date.

Please respond, by email, including a resume -- or alternatively, details about yourself and why you believe that you are a good fit for this job. Send your information to:

yyjlawns@gmail.com
