

Camosun Innovates Design Challenge

The *South Island Partnership* and *Camosun Innovates* are excited to have 36 students (grade 9 – 12) from each school district up to the college this fall for a day of hands-on exploration. Each group will explore the Camosun Innovates space, do a hands-on design challenge, tour the Interurban campus, learn about dual credit, and become more familiar with the many courses and programs Camosun College has to offer.
