

# Gingerbread Challenge

**Enter for the Chance to win a \$75 e-gift card of your choice!**

Are you creative and passionate about pastry and baking? Then this is the challenge for you!

This challenge uses the [Creativity and Innovation Skills for Success](#).

## **Contest Details:**

- There will be 3 winners, one for each age group: Grades K-3, 4-7 and 8-12.
- Using the Creativity and Innovation Skills for Success, build and decorate a one-of-a-kind gingerbread house!
- The deadline to enter is **Monday January 17th, 2022 at 5pm.**

## **Challenge Materials:**

- Homemade or store-bought gingerbread – this can be in the shape of a house, train, village, etc. But it must be a minimum of 5 inches in width, length and height.
- Can be decorated using royal icing, buttercream, sweets and/or savories but must be edible (not cardboard).
- Sugar cookie dough can also be accepted as long as all guidelines are followed in the same way.
- **\*Bonus Points\*** if you can incorporate a trade, technology or a Skills for Success logo.

## **Challenge Instructions:**

- Create your gingerbread (or sugar cookie) masterpiece, this can be done alone, as a team, with your friends/family.
- Take plenty of photos, before digging in, and choose 2-3 of your favorites to submit for judging.

- Submit your favorite photos and fill out all required fields at <https://skillscanada.bc.ca/online-gingerbread-challenge/>
- Please note that the winner's photo(s) will be shared via social media, so if desired, avoid submitting photos including the designer/creator unless you are happy with it being viewed by others.

### **Judging:**

- Creative and personally challenging – 1 point.
- Neatness – 1 point.
- Sturdiness/stability – 1 point.
- Followed a theme – 1 point
- Colorful – 1 point
- **\*Bonus Point\*** Incorporate a trade, technology or Skills for Success logo • **A subtotal of 5 points can be earned, plus the bonus for a grand total of 6 points.**
