

WATT

WORKPLACE ALTERNATIVE TRADES TRAINING

WHAT IS WATT?

WATT is a **FREE**, 3-week Electrical Pre-Apprenticeship Program. WATT empowers participants to take control of their future.

A HEAD START ON A REWARDING CAREER!

Graduates get on the Fast-track to a new career by gaining the skills, and certifications that employers are looking for, along with the attitudes that will lead to a successful apprenticeship.

WHO IS WATT FOR?

WATT is focused on providing opportunities for youth, Indigenous persons, women, persons with disabilities, newcomers and multi-barriered individuals.

WHERE DOES WATT OPERATE?

The WATT program is demand driven; programs are run in communities where work is available and new entrants to the trade are needed.
