

DEVELOPING A CAREER IN SKILLED TRADES

A WEBINAR FOR WOMEN IN SKILLED TRADES

Ontario Power Generation presents a webinar series that focuses on supporting women and girls in the trades and exploring different ways they can improve and transition within the skilled trades.

Details:

- Compelling and dynamic one-hour webinars.
- Speakers with skilled trade experience (from all across Canada) will share the details of their own journey and provide advice, guidance and direction to women in skilled trades careers.
- Q&A period.

April 28th at 12:00pm PT / 3:00pm EST
