Details on each of our [Technologies & Engineering programs](#) can be found on the program pages.

The Scoop on Admission

- **How to Apply:** This is your go-to webpage to guide applicants through the process of submitting a successful application. Program availability info and application deadlines are all linked from that page. Most programs with a Fall 2024 intake are currently open for application!
- **Conditional Admission:** Most Camosun programs offer conditional admission for current grade 12 students who are working towards meeting graduation requirements.
 - High school applicants eligible for conditional admission are typically placed on the program list at the time of application – the admission requirements for the program must still be met, but at a later date.
 - Not all programs are eligible for this status; check with [Admissions](#) for information on specific programs.
 - Admission to most programs is granted on a first-qualified, first-served basis, so apply early!

- Official transcripts: BC high school students should submit official transcripts electronically through the BC [Student Transcripts Service](#); transcripts should be authorized for updates for a full year from the date of submission.
- Applications have been flooding in this fall for the [BSN program](#)! The application period remains open until January 15, 2024 with a document submission deadline of January 31, 2024.

Recruitment Events & Offerings

- [Connect with Camosun](#): Admissions & Financial Aid joint info sessions. These sessions are a great way for future students and their supporters to learn more about application and admission to Camosun College, and the services and supports available to them.
- [Program Info Sessions](#): Check the event listings for an upcoming info session about a program of interest.
- [Campus Tours](#): Take a virtual tour, sign up for a scheduled walking tour, or [request a group tour](#). We would be happy to host your group of 10-75 people for a customized tour experience!
- [Camosun Comes to You](#): We offer classroom visits, parents' nights, and one-on-one Recruitment & Admissions advising for students in-person or virtually; for visits outside of the Greater Victoria area, options may be limited to virtual. Please connect with us via recruitment@camosun.ca to book.
