

CAREER EDUCATION

OCTOBER 2021

It's great to be back at school! It's been a busy start to the year, with a lot of students working and developing their post-secondary pathways...which we love to see. Now is the time for grade 10 and 11 students who are interested in Dual Credit opportunities to meet with their career teachers to start planning!

"NEW"

Education Assistant & Community Support Program

Are you in Grade 12? Interested in the field of Education? Saanich School District, in partnership with Vancouver Island University, is offering a NEW CAREER PROGRAM: Educational Assistant and Community Support Certificate. This is a 7-month full-time program, starting in February 2022. This is a DUAL CREDIT program sponsored by the district, so tuition is paid for! This is a fabulous opportunity!
